

**GENERATION CITIZEN
EXECUTIVE DIRECTOR, RHODE ISLAND
LOCATION: PROVIDENCE, RI**

ABOUT GENERATION CITIZEN:

Generation Citizen is transforming how civics education is taught by bringing the subject to life. We champion real-world democracy education that equips all young people with the skills and knowledge needed to effect change. To ensure that our democracy represents the voices of all people, we prioritize working with students from communities that have been historically excluded from the political process. In the classroom, our Action Civics program inspires robust civic participation by inviting students to engage directly with the local issues and institutions impacting their communities. We provide thought leadership, conduct research, and build coalitions to advocate for state and district level policies that ensure schools prioritize Action Civics. Nationwide, Generation Citizen is activating a movement of young people prepared to lead in our democracy.
